# YEAR IN REFLECTION

---

Salaam Alaikum,

Alḥamdulillāh, 2025 was an exceptional year for the Mahdi Youth (MY) Society. From flagship events to new initiatives, welcoming new volunteers and fresh ideas, the basement rehabilitation program, and our first-ever MY programs hosted outside of Al Mahdi, this year was a powerful reminder of what the youth of a community can accomplish when supported by elders, community leadership, and a shared commitment to serving others for the sake of Allah.

We extend our sincere gratitude to our youth for their energy and support, to parents for their constant encouragement and trust, to our volunteers for their countless hours of service, and to our donors for their generosity and belief in our mission. None of this would have been possible without your continued support.

As we look ahead to 2026, we do so with optimism, renewed purpose, and a deep sense of responsibility. With your ongoing du'ās and involvement, we hope to continue building meaningful programs that empower our youth, strengthen our community, and inspire the next generation.

We look forward to entering 2026 with the same enthusiasm and commitment to serve our community. Support us today as we continue this journey together.

With Duas,  
Ashar Syed  
President | Mahdi Youth Society

# ABOUT US

---

MY Society is dedicated to cultivating and developing generations of youth who are firmly grounded in the foundations of our faith and traditions, while aspiring to become leaders worthy of the Imam of our time (AJTF).

We serve youth across critical stages of growth, including high school and post-secondary students, as well as those navigating early career and graduate studies. By engaging youth at each of these phases, MY Society provides continuity, mentorship, and purpose during some of the most formative years of their lives.

In an era marked by increasing isolation, loss of faith-rooted values and traditions, and widespread societal changes, intentional youth development has never been more necessary.

Through a holistic approach that integrates **spiritual** growth, **academic** support, **professional development**, and meaningful **social** connection, MY Society aims to empower youth to excel both personally and communally. Our work aims to shape principled, confident individuals who are prepared to serve their communities as committed followers of the Imam of our time (AJTF).

# COMMUNITY'S VOICES

---

“

I loved the speeches by the scholars because they emphasized multiple issues we face as youths in this era, whilst connecting them to Islam. In my opinion, the Nahjul Balagha and the 5-day youth program with Sheikh Bachoo went really well!

”

“

I enjoy how everyone's packed together as a community, it feels really good to have everyone you know there.

”

“

Thank you for all the welcoming support you've given me as a convert.

”

# FLAGSHIP MOMENTS

---

Throughout the year, MY Society hosted a wide range of programs designed to foster spiritual growth, meaningful connection, and a strong sense of community.

## **Muharram 2025**

Mahdi Youth Society planned, hosted, and supported the community throughout the ten nights of Muharram 2025. Joined by Sheikh Salim Yusufali from California, programming included nightly lectures, post-majlis discussions, and aalim hours, alongside the coordination of sabeel, tabarruk, and parking to serve attendees during these busy nights.

## **Ramadan 2025**

In 2025, MY introduced a refreshed Ramadan program format, beginning with weekend lecture series featuring Sheikh Mujahid Noorani and Sayyid Ali Imran. This was followed by a five-day external program hosted at a church with Sayyid Ali Imran, expanding outreach while maintaining meaningful spiritual engagement.

## **Basement Revitalization Program**

MY led efforts to revitalize the basement space at Al Mahdi, supporting construction and refurbishment to transform it into a welcoming, functional environment. This upgraded space now better supports youth programming, social gatherings, and community activities.

# CLOSING REMARKS

---

As we reflect on the year, MY Society's journey has been defined by growth, resilience, and sincere service. Through a wide range of spiritual, educational, professional, and social initiatives, we remained committed to nurturing youth who are grounded in faith, confident in identity, and prepared to contribute meaningfully to their communities.

This year highlighted the strength of collective effort between leadership, volunteers, and mentors, while reaffirming the importance of creating intentional spaces where youth feel welcomed, supported, and inspired. Each program, challenge overcome, and connection formed has contributed to building a stronger foundation for the future.

Looking ahead, MY Society remains focused on continuous improvement, deeper engagement, and thoughtful expansion of our programs. Guided by our faith and supported by our community, we are committed to developing initiatives that respond to the evolving needs of youth while staying true to our core values.

We move forward with gratitude for those who have walked this journey with us and with optimism for what lies ahead. May our efforts continue to serve as a means of growth, unity, and positive impact, as we strive to raise generations worthy of representing Islam and serving as followers of the Imam of our time (AJTF).

# ACKNOWLEDGEMENTS
